Digicase 4 Panel
 Finished Size = 287 mm X 250 mm
 Outer Bleed = 3 mm

Instructions

1. Design your artwork on the "PLACE ARTWORK HERE" Layer
2. Extend your artwork to the inner and outer blue bleed line
3. Convert **ALL TEXT** to outlines
4. File formats can be .pdf .ai .tiff .jpg (high res) saved at 300dpi
5. Save your artwork twice - one with the **bleed & final trim lines** deleted and one with **bleed & final trim lines** kept
6. Send us a high resolution with the **bleed & final trim lines** deleted and a low resolution showing the **bleed & final trim lines**
