Outer Bleed = 3 mm

————— Bleed line  
- - - - - Final trim line

## FRONT

## BACK

### Instructions

1. Design your artwork on the “**PLACE ARTWORK HERE**” Layer
2. Extend your artwork to the inner and outer blue bleed line
3. Convert **ALL TEXT** to outlines
4. File formats can be .pdf .ai .tiff .jpg (high res) saved at 300dpi
5. Save your artwork twice - one with the **bleed & final trim lines** deleted and one with **bleed & final trim lines** kept
6. Send us a high resolution with the **bleed & final trim lines** deleted and a low resolution showing the **bleed & final trim lines**
